

Take the opportunity to thank your clients while also promoting your company by creating your own individual, stylish gift that will remain in the forefront of your client's mind from month to month.

CD desk and wall calendars Year round exposure

They also make an excellent photographic or artistic club project, or a very personal gift for friends or family.

We have professionally designed templates that can include your contact details and logo on each month for conventional or financial year calendars.

Plus you can use our existing library of original photographic and artistic images from Australian artists, at no charge – or you can supply your own personal images.

We can fill orders from as few as 25 up to quantities of 10,000. Conventional and financial year calendars.

CD Desk Calendars

Housed in a CD-like case, this stylish design opens up to become a stand for the calendar. Ideal for the office or where space is at a premium.

Wall Calendars

A4 (297 x 210mm) in size and spiral bound, this calendar showcases the images and allows for written messages for planning the month ahead.
